Under Sec 23 (14) of the Bangalore City Mills Act 1933, it is laid down that non official Presidency Towns Members of City Mills may receive out of the Municipal fund such monthly allowance as they may sanction from time to time with the approval of Govt as may be specified in the Act That table is given for maintaining any Conveyance like a motor car This appears to be a matter which may perhaps be left to the good sense of the Municipal Commissioners Further, it is laid down in Article 280 of the Municipal Manual Vol II that the production of a certificate for having maintained a Conveyance or incurred Carriage hire equal to the amount of the allowance must be insisted upon

Dear Mr. Narayana Rao,

Adverting to G.O.No L 6824-25/M1 10-41-64 dated 5-2-1942 sanctioning the allowance of Rs.200/- and Rs 50/- p m to the President and Vice-President of this Municipality, I write to state that the Municipal Council resolved for the first time at their meeting held on 6-3-1920 that Mr B.K Garudachar, the then Honorary President be given a motor car Conveyance Allowance of Rs.250/- p m This resolution (copy enclosed) was approved in G.O No R 12995-6/M1 182-9-2 dated 15-5-1920 Similarly, the resolution of the Municipal Council dated 13-2-1930 (copy enclosed) to the effect that Mr P Subbarama Setty, the then Honorary President might be given a reduced Conveyance Allowance of Rs 100/- was approved in G O No.L 7137-38/M1 284-29-2 dated 5-4-1930

It is therefore clear that the allowance that is being continued to be paid to the several Presidents subsequently is Conveyance Allowance for maintaining a motor car It may however be stated in this connection that all the previous Presidents had maintained cars but the present President, is not maintaining a motor car and he is drawing the allowance of Rs 200/- p m Certain Government Orders including the one under reference have been issued sanctioning the allowance on references made from this Municipality, seeking sanction for the payment of the allowance

The

The word "Conveyance" seems to have been omitted by oversight in these references. As such a doubt has been felt as to whether the allowance can be paid to the President though he does not maintain the motor car I therefore solicit the instructions of Government whether this allowance is a motor car allowance and whether the Presidents can draw it without maintaining a motor car.

Yours Sincerely,
